Dear Billy:

On July 10, 1998, we wrote a letter outlining our concern that services relating to the above referenced issues were not included in our agreement for services. During the development team meeting Thursday, September 10, 1998, it was agreed that services required from Arbuckle Costic Architects and our consultants would be billed at the hourly rate set in our agreement with a not-to-exceed amount of \$5,000. Arbuckle Costic Architects will invoice the time and reimbursable expenses incurred by the firm and its consultants for this work monthly. If this arrangement is acceptable, please sign below and return one copy for our files. Should we anticipate that billings will exceed this level, we will approach the team for an increase in the not-to-exceed value.

Yours Sincerely,

Leonard Lodder, A.I.A.
Architect
